

OLG

JOG-A-THON

**Friday, September 30th, 2022**

*A morning full of walking, jogging, dancing, skipping...  
Don't forget noon dismissal!*

For those new to OLG, the [Jog-A-Thon](#) is a fun way for the kids to get moving and also help raise money for the school at the same time! On Friday September 30th every student will participate with their class in either walking or running laps at the Walt Hundley play field.

Our theme this year is "*Good Vibes and High Fives*". This is the first "Spirit Wear" free dress day of the year! All students should be pumped up and dressed for the theme! Run, walk, jog or skip in rainbow or tie-dye apparel to show off their Good Vibes!

The Jog-A-Thon is the second biggest Fundraiser of the Parent Organization. The goal is to raise **\$25,000**. Broken down, we can easily get to this goal if each student raises **\$150**.

We're getting excited, so let's turn our energy into dollars. This year donations will be made completely online through each student's own personal fundraising page. There are no pledge forms to fill out or checks to write... Yay!! **How to start fundraising:**

- Set up a fundraising page for each OLG student participating at: [www.guadalupe-school.org/fundraising/jog-a-thon/](http://www.guadalupe-school.org/fundraising/jog-a-thon/)
- To create your fundraising page, you will need to create a Greater Giving account.
- To set up pages for multiple students in one family, you should log into your account and click on "Create new activity" when you get the pop up warning message.
- Once created, share each student's personal fundraising page with family and friends through email, text, social media or an old-fashioned phone call to ask for donations.
- Only donations of a specific amount can be made on the website, so donations pledged based on the number of laps a student runs should be made after the event. Students will come home with a lap count on the event day. The

donation pages will stay open through the weekend following the Jog-A-Thon for families to finalize per lap donations.

- And remember... all donations are tax deductible.

**Prizes:**

- Pizza Party for Class that raised the most toward the \$25,000 goal.
- Amazon Gift Card for the top lap runner of each wave of runners:
  - Wave #1 Pre-School – 4<sup>th</sup>
  - Wave #2 5<sup>th</sup> – 8<sup>th</sup>
- Student who runs the most laps overall will have his or her name engraved on school Jog-A-Thon plaque.

**Reminder:** *Noon Dismissal* - Pick up at 12:00 pm. Kids should be ready for some down time today! EDC (Extended Day Care) for K-8 is open until 6pm, but you must [sign up ahead!](#) NO Preschool/Pre-K after care.

---

**Volunteer at this event!**  
We are looking for volunteers to help with set up, counting laps, providing orange slices/tables/coolers and clean up.

Visit the OLG Jog-A-Thon [Sign Up Genius](#) to volunteer!

We appreciate everyone's help in making this another successful Fun-raiser for our school.
