

4th Annual SUMMER SCHOOL at ST. GEORGE

Dates: June 26 through July 28 with the exception of July 3rd and 4th

We offer a 5 week **academic** summer school program with certificated teachers and Instructional Assistants. It is not a summer *camp*. It's an all or none program in order for students to make the most gains academically. There will be up to 12 spots per K-5 class.

Summer School registration is open to all students currently attending a Catholic school. Your own school uniform is the required dress code. All students who apply must come with a **positive, cooperative attitude** ready to learn. Your child's teacher/principal will supply us with Spring *MAP Student Progress Reports* along with recommendations for areas of focus during summer school.

Any parent who wishes to enroll his/her children are required to attend a Parent Education Night on Thursday, June 8th at 6:30 p.m. in the school hall. **ALL FEES are due in full that night.** Summer School requirements and expectations will be clarified.
