

# 2024 OLG Summer Camps

## June 17, 18, 20, 21 (No class Jun 19)

Our Lady of Guadalupe School

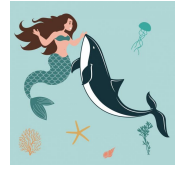

### Pirates and Mermaids

Incoming Grades K-2

Taught by Taylor Baber (1<sup>st</sup> Grade teacher)

Take to the seas with Ms. Baber, to explore the wonderful world of Pirates and Mermaids! This theme combines the fun of pirates and mermaids, with kids learning about seafaring history and marine life. Students will create their own pirate and mermaid-themed projects and participate in ocean-themed games and activities.

### Inside Out! - FULL

Incoming Grades K-2

Taught by Shelby Lange (Kindergarten teacher)

Join Mrs. Lange for a fun-filled "Inside Out" summer camp! Our theme is based on the movie **Inside Out**- focusing on emotions, self regulation, friendship, and how to work through challenges! We will read books together, do crafts, play games, and much more! See you there!

### Explore the Deep Blue Sea!

Incoming Grades 2-4

Taught by Rita Gazewood (Learning Support Specialist)

Dive into adventure as we explore the "Deep Blue Sea!" Discover the multitude of unique marine ecosystems. Curiosity will drive our mission. From waders to scuba gear, we will contemplate the variables of each ecosystem and learn about the amazing creatures found in them. As scientists we will chronicle our findings. For some extra **FUN** we will enjoy marine themed music and games. Our rich learning will undoubtedly inspire us to create models, art, and poetry about God's magnificent marine menagerie! Dive into the Deep!

### Art Through the Seasons

Incoming Grades 3-5

Taught by Rachel Hoch (3<sup>rd</sup> grade teacher)

Come spend a week with Mrs. Hoch creating art projects that reflect the four seasons! We'll learn about different Master Artists and use different mediums to inspire our creativity. Each day will focus on one of the four seasons. As we work, we will also enjoy music that reflects and invites us to experience the seasons in a new way.

### Sports, STEM and Scribbles

Incoming Grades 3-5

Taught by Mackenzie Sullivan (P.E. teacher) and Jeanine Morley (PK teacher)

Spend the day in a kinesthetic way with Ms. Mackenzie and Ms. Jeanine! We will learn and play various sports games in the morning, and do STEM building and experimenting in the afternoon. Each day will end with a short journaling and drawing activity. At the end of the week, students will have a book of their experiences! This is going to be an awesome week!
