Our Lady of Guadalupe School

Art with the Masters

Incoming **Grades 3-5**

Taught by Rachel Hoch (3rd grade teacher)

Come spend a week with Mrs. Hoch creating art projects that reflect the styles of some of the great masters of art! Each day we'll learn about different Master Artists and use different mediums to inspire our creativity. As we work, we will also enjoy music that reflects and invites us to experience the arts in new ways.

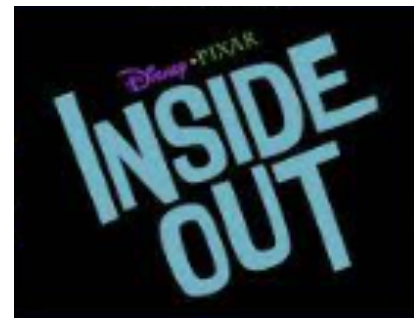

Inside Out

Incoming **Grades K-2**

Taught by Shelby Lange (Kindergarten teacher)

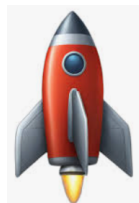

Join Mrs. Lange for a fun-filled "Inside Out" summer camp! Our theme is based on the movie **Inside Out** focusing on emotions, self regulation, friendship, and how to work through challenges! We will read books together, do crafts, play games, and much more! See you there!

Blast Off to Space Camp

Incoming **Preschool/PreK Grades**

Taught by Christi Meats (EDC Director)

Get ready to launch into an out-of-this-world adventure! Our Preschool and Pre-K campers will explore the wonders of the solar system through fun crafts, hands-on activities, and playful learning. From creating rockets to discovering planets and stars, we'll spark curiosity and imagination as we journey through space together. It's a week full of discovery, creativity, and stellar fun!
