Tuition

The School Administration under advice and consultation of the School Commission is responsible for setting up the non-refundable registration fees as well as tuition rates. Our school offers three (3) tuition payment options:

- **Annual*** – 1 payment (August 5th)
- **Semi-Annual*** – 2 equal payments (July 5th and January 5th)
- **Monthly** - 12 equal payments (The 5th day of every month July through June)

* Families who pay full tuition annually by August 5, 2026 will be discounted \$200 per family. Families who pay full tuition semi-annually (see above deadlines) will be discounted \$100 per family. These discounts apply to families who pay full tuition by the deadline for all students in the family. These discounts do NOT apply to families who receive tuition assistance.

All tuition, fees, and incidental payments are made through Finals site (https://guadalupe-school.fsenrollment.com/users/sign_in). Late fees will be applied if the account is not current. Families that are experiencing financial difficulties should contact the principal immediately.

In-Parish Tuition (Optional K-8)

Families of K-8 students register under one of two categories: base rate (out-of-parish) or in-parish discount. To qualify for the "in-parish" discount each school year, a family's status must *be verified by* the parish office. *Each enrollment year, (at contract signing)* you MUST submit the OLG In-Parish Tuition Verification request (<https://olgseattle.org/olg-in-parish-tuition-request>) to declare your intent receive in-parish tuition for the upcoming school year. Once the parish verifies you have met the criteria, the parish discount will be applied to your contract.

The school will regularly check status with the parish throughout the year, and families who do not fulfill the requirements will be moved to the out-of-parish rate for the school year. More about the In-Parish Tuition verification Process here: <https://www.guadalupe-school.org/in-parish-tuition-verification-process/>

Withdrawal Policy

Our Lady of Guadalupe School contracts with faculty and staff and incurs financial obligations for the entire school year. In order for OLG to meet these financial obligations, when a student is enrolled, the parent/guardian assumes the obligation to pay the contract in full. Registration fees are non-refundable under any circumstances.

In the event that a student withdraws mid-year, tuition paid or due will not be refunded. Tuition is due through the end of the month that a student is in attendance. For all withdrawals after the start of the school year, 50% of the remaining annual tuition balance will remain required, and can be divided up into monthly payments, or paid at once, unless otherwise determined by principal. If an enrolled student fails to start school in September, parent is released from the enrollment contract, but any tuition payments for the preceding months will be forfeited.

Extenuating circumstances regarding the withdrawal of a student will be considered on a case-by-case basis, but does not guarantee a release from contract or financial obligation. In order to be considered for release from contractual payment obligations, the parent/guardian must:

1. Advise the principal in writing, and an exit interview will be scheduled.
2. All financial obligations must be met before a student's records will be released.

The school reserves the right, if any tuition is past due, to remove the student(s) from the school. The school has the right to refuse re-enrollment for the following school year until financial commitments have been met.
